college").
        * Use + in ...allow the inclusion or exclusion of documents
containing certain words (i.e., hogs OR pigs).
        Search Engines That is the name used for the software that
searches an index and provides you with any matches (i.e., Yahoo, Northern
Lights, Go To, Infoseek, Alta Vista, etc.). Try using more than one **search**
 engine when seeking information. Each presents the **search** results in a
slightly different ...and you may find one more appealing than another
(i.e., Northern Lights puts all **search** results into categorized folders).
        Where To Start First thing you will need to decide is...degree.
        Choosing A Vocational School Or Community College A good place to
start in your **search** is by checking the Federal Trade Commission
brochure, "Choosing a Career or Vocational School." This...no way of
knowing how often this happens. We encourage you to check with any **school**
to **verify** the information you find on the **Internet** . We also encourage
prospective employers to contact **schools** to **inquire** about the
availability of candidates for employment.
        This compilation is limited by the information available...on our Web
site: www.nationalhogfarmer.com.
        Schools With Swine Production Courses To narrow our **search** , we
decided to focus our Internet **search** on community colleges that have
swine production/ management programs especially with hands-on experience/
internships...the school to see if they have a job site.
